Dyna-Mac Engineering Services Pte Ltd
35 Hillview Terrace
Singapore, 669257

Attn : Mr Desmond Lim, CEO

Dear Sir,

We are pleased to have worked with Dyna-Mac on our recent pharmaceutical project.

Dyna-Mac played a significant role in the successful outcome of the project. Their flexibility and response to a very difficult plant shutdown schedule was excellent and the quality of workmanship was good.

Kvaerner would be pleased to work with Dyna-Mac on future projects.

Yours sincerely,

James Woodburn
Business Manager
